April 29, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for The City of Pittsburgh's "Avenues of Hope: Centre Avenue Revitalization" project in fiscal year 2022.

The entity to receive funding for this project is the City of Pittsburgh, Pennsylvania. The funding would be used to redevelop 70 publicly owned parcels on Centre Ave in Pittsburgh to develop seven community vetted mixed-use projects led by local and minority developers. This portfolio of projects will include mixed-income residential units, commercial retail and office space, and green space for community use. Specifically, funding will go towards site preparation, project financing, engineering and design work, infrastructure improvements and updates, new sidewalks and updated lighting.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Doyle
Member of Congress
